Thank you to our Guest Curator for Streaming 2020 Julie Wescott Weissend, LEED AP ID+C

Julie grew up in Miami, Florida. She has a Finance degree from the University of Florida with concentrations in Architecture and Real Estate. She started in commercial real estate finance, ultimately deciding 30 years ago to work with her husband, Paul Weissend, at Dovetail Construction Company, Inc. Together, they have worked on a wide variety of historic structures, stabilizing and repairing what is significant, while implementing 21st century, high performance

technology in the new construction designs. As a result, the buildings continue to inspire and they can better stand the test of time. The Weissends developed the first building in the U.S. to be LEED Platinum. It is listed on the National Register of Historic Places and Net Energy Zero. It is also the first (and currently the only) verified commercial Net Zero building in the state of Virginia. Julie is also a licensed realtor. She has been the President of the Junior League of Richmond, and she has served on many community boards of directors. She currently serves on the boards of Virginia Commonwealth University's Foundation, Monument Avenue Preservation Society, Historic Richmond and 1708 Gallery. She also serves on the Richmond Metropolitan Habitat for Humanity Finance Advisory Committee and sits on the Advisory Committee for The Branch Museum for Architecture and Design.

Some of the awards Dovetail Construction Company, Inc. has won include:

Remodeling Magazine's Top 50 Contractors

The Golden Hammer Award: Special Recognition for Sustainable Design

Numerous "Contractor of the Year" Awards from the National Association of the Remodeling Industry

RVA Creativity Award for Inventions and Products from The Creative Change Center

USA Today Travel's Must-See Buildings in Virginia

Thank you to the artists who contributed to our event.

Art Auction Rules for Bidders

On Saturday, March 14, 2020 from 6:30 – 9:30 PM, Artspace gallery presents Streaming 2020, our 5th annual art auction. Streaming includes Live and Silent Auction artworks as well as a \$50 Room.

A ticket with an accompanying bidder number is required to bid in both the Live and Silent Auctions and also required to purchase work from the \$50 Room. The ticket includes food and beverages.

Auction purchases can be collected the evening of Saturday, March 14 and during the day on Sunday, March 15 from noon to 4 PM. Alternate dates for pick up of work can be arranged if needed.

\$50 Room

Artwork in our \$50 Room will be available for immediate purchase from 7:00 PM and following the conclusion of the Live Auction on Saturday, March 14, 2020. Bidders must sign-up at the entrance to the room and they will be called in small groups to be assisted with their selections.

Sales monitors will assist buyers. If more than one person wants the same piece, the sign up order will apply.

Silent Auction

Bidding for the Silent Auction opens at 6:30 PM, Friday, February 28 and closes Saturday, March 14, 2020.

Write your assigned bidder number on the Silent Auction sheets beside the Silent Auction artworks. The opening bid is noted for all pieces in the Silent Auction. Highest bid listed at the close of bidding will be the winner.

Live Auction

Bidding for the Live Auction begins at 8:00 PM, on Saturday, March 14, 2020.

This is a major fundraising event for Artspace gallery. Artists are generously providing Artspace with a minimum of 50% of sales to benefit the programs and services of Artspace gallery. We appreciate your generosity in supporting the gallery by participating in this auction!

The auctioneer will conduct the bidding for each artwork. The auctioneer will announce whether he has sealed envelope(s) with absentee bid(s).

Bidders, hold your bidder number up high with the number facing the auctioneer.

Once a high bidder has been declared for an artwork piece in the live auction, the auctioneer will open any absentee bid envelope for that item. If the absentee bid is above the high bidder, the absentee bidder will win the item.

Payment is due to Artspace on March 14, after the Live Auction is completed.

Absentee Bidding

If you are a winning absentee bidder, Artspace will contact you to arrange for payment and pick-up of the artwork.

Sales

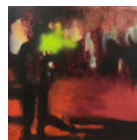

Sales tax will be charged on all purchases.

Tax Deductibility

Artspace is a registered 501(c)3 charitable organization. If the price you pay for a piece exceeds the retail price (fair market value) of the piece as stated in the auction program, the excess portion of the price may be deductible as a charitable contribution.
